

SWEETHEARTS OF OCS

**It's been a wild year
But you all have been so dear
You've backed me all the way
No matter what happened that day.**

**We've seen good times
And days that seem like a crime
But through thick and thin
God in our lives will always win.**

**We'll stay true to the Bible
So when times are bad, we're liable
To cling more tight
To the Everlasting light!**
